CareSource (MyCare Ohio) Contracts

Important point of clarification:

There has apparently been some confusion concerning the issue of contracts in MyCare Ohio with the managed care company CareSource that will be one of the companies taking over management of the dual-eligible population in our 10B region effective July 1, 2014. It has been reported that some providers have contacted CareSource to ask about getting a contract directly with CareSource but that CareSource refused their request.

It is important for providers to understand that ***YOUR PASSPORT or ASSISTED LIVING WAIVER CONTRACT WITH THE AREA AGENCY ON AGING IS ALSO YOUR CONTRACT WITH CARESOURCE!***

CareSource is not contracting separately with already-certified and contracted PASSPORT providers. The provider's contract with the Area Agency on Aging for either PASSPORT or Assisted Living Waiver (ALW) is accepted by CareSource as the provider's contract with CareSource by virtue of the AAA's contractual role in managing the provider network for CareSource.

For companies providing non-PASSPORT or non-ALW services (i.e. - skilled services via a separate part of their corporation), it will be necessary to contract separately with CareSource for those services.

But if you have a contract with the AAA for either the PASSPORT Waiver or the Assisted Living Waiver, then you also have a contract with CareSource. It's the same contract.

This does not apply to United Healthcare, who will do its own contracting with our provider network. The number for their Provider Call Center is (800) 600-9007.

We apologize that this has not been made clear.
