

What is AXOS Banking Gold?

AXOS Gold Checking Account is open to anyone over the age of 55 looking to open a new account!

Why Choose AXOS Bank?

There are so many reasons to choose AXOS Banking Gold. One of the few drawbacks is that this bank is fully online.

- No monthly fees
- Offers up to \$8 domestic ATM fee reimbursements per month
- 0.10% APY on all balances

Why is online banking a secure and convenient option?

Many banks use:

- Anti-virus protection
- Fraud monitoring
- Website encryption

How to protect yourself:

- Change passwords regularly, but make sure to keep track of them
- Don't keep your accounts logged in
- Have your bank information on hand in case of emergency

ONLINE BANKING

1.

To create an AXOS account, click "sign in" and a drop-down menu will appear. Click "Account log in"

2.

It should take you to the next page. Once you get here, click "Register."

3.

Fill out all of the information it prompts you with and click "next." It's completely confidential.

4.

Go over the terms and conditions. Once you have done this, click "Agree and continue."

5.

You will be sent a verification code. Choose whether you want the code to be sent to your email or phone number.

6.

Enter the verification code you were sent (finding the code depends on whether you chose email or phone number) and click "continue."

7.

Select three security questions from the boxes that will be easy for you to remember, then fill in the corresponding answers.

8.

And you're done! Your account has been successfully set up!
